Y RECURSOS HUMANOS**

The European Academy of Occupational Health Psychology (EAOHP), in collaboration with the Faculty of Labour Relations & Human Resources of the University of Granada, would like to invite you to Granada, home of the Alhambra, to attend the 16<sup>th</sup> conference of the European Academy of Occupational Health Psychology. The event will take place over three days, 5-7 June 2024 at the Science Faculty of the University of Granada, Spain and preconference workshops to be held on 4 June 2024 at the Faculty of Labour Relations and Human Resources of the University of Granada, Spain

Conference Chair: Professor Francisco Diaz-Bretones  
EAOHP President: Professor Stavroula Leka

## **THEME**

The theme for the 2024 conference is 'Contributions of OHP to social justice'. The programme will include oral and poster presentations as well as a number of invited and special symposia in line with the multidisciplinary conference theme. These include a session that will focus on Spanish and Latin American research that will be delivered in Spanish, and a session providing an international OHP perspective from the International Coordinating Group for Occupational Health Psychology (ICG-OHP).

## **SUBMISSION TOPICS**

The call for papers will be open from 30 June to 01 December, 2023 and delegates will be able to submit their abstracts (500 words max) for four types of sessions: paper presentations, symposia, poster presentations and the early researcher showcase. Submissions will be welcome on all areas of research, practice, and education in OHP and related areas. Relevant topics include but are not limited to:

### ***Psychosocial work environment***

- Antecedents of stress and well-being
- Stress: Theory and measurement
- Interpersonal relationships
- Work-life balance
- Social capital and social climate

### ***Individual and organizational health interventions***

- Policy level interventions including regulation and CSR
- Training and education
- Workplace health promotion
- Organizational interventions, outcomes and evaluation

### ***Contemporary issues in OHP***

- Work engagement and positive OHP
- Future of Work: New forms of work (e.g., hybrid, remote, gig) and implications for health, safety and wellbeing
- Inequalities in working conditions and health

### ***Social justice***

- Migration and the workplace
- Gender and ageing
- Equality, diversity and inclusion
- Sustainability, green jobs and just transitions
- Refugees and displaced workers
- Modern slavery and wellbeing
